PARKING

Please park on designated gravel areas in the campsite. Parking cars or motorcycles on the grass is not permitted.

QUIET HOURS 22.00–07.00

Respect the designated quiet hours and the right of other guests to rest. If you're looking for nightlife, head into town. In case of violation, an additional night's stay may be charged for each guest disturbed.

NO SMOKING

Smoking is prohibited in all enclosed indoor spaces and on cabin verandas. Please avoid disturbing other guests with smoke. Always dispose of cigarette butts in a bin, not on the ground.

Cooking inside the cabins or on wooden porches is strictly forbidden. Use the shared kitchen for meal preparation. Grilling, open flames, and candles are prohibited inside, on the porch, and in surrounding areas.

PETS

Pets are not allowed on beds. If this happens, an extra cleaning fee will be charged.

WASHING & DRYING

A washing machine and a dryer are in the shared kitchen. A drying rack is available outdoors. Drying clothes inside the cabin is not allowed.

WASTE DISPOSAL

You'll find bins for paper (blue), plastic, cans, and drink cartons (yellow), mixed waste (black), and BIO – food scraps without packaging (brown). Please separate your waste. Compress cans and PET bottles before disposal.
